# SOOKMYUNG MAP

The First National Private Women's School,  
Founded by Korean Empire

Sookmyung Women's University is Korea's first national private women's school. It was founded in 1906 during the latter stages of the Korean empire. We have worked tirelessly to meet our motto 'save the nation through women's education' and today, we boast over 100,000 alumni and 13,000 students and have grown to become Korea's leading women's university while honoring its 100 year old history and tradition.

\* At <http://e.sookmyung.ac.kr> for more information

### Sookmyung International Summer School (SISS)

Sookmyung International Summer School provides a thriving environment where Sookmyung and other international students can have the culturally dynamic and global experience in the nation's capital city Seoul, Korea. The renowned international scholars from SMU's international partner schools introduce the culturally diverse and challenging courses to its students. The participants also have a great opportunity to gain the cultural heritage of Korean history through the various lectures and field trips which take them to the palaces, museums, traditional and commercial markets in the city. Why don't you join us and make an unforgettable experience in the summer at Sookmyung Women's University, Seoul, Korea.

### Winter Beyond Borders Program (WBBP)

The Winter Beyond Borders Program offers intensive and insight of Korea. Courses about Korean Culture will be provided. In addition to a wide variety of courses, tours of historical sites visit will be made with many enriching and life-time experiences. Come visit Korea and experience the dynamic, enthusiastic and unique culture of Asia!

### Visiting Student & Student Exchange Program

SMU's Semester Abroad Program is designed for university students who are already enrolled in another university outside Korea. Both male and female students are eligible to apply. As a Study Abroad student, you earn credit toward your home degree while enjoying a valuable international and intercultural experience in Korea. Exchange Students from Partner Institutions may also participate in this program and tuition for their students can be waived as exchange basis. Through this program students can enroll in SMU's undergraduate and graduate school. Credits earned are listed on a permanent SMU transcript and may be transferable to other universities.

Program	Application Period	Class Period
Sookmyung International Summer School I	March 1st - May 30th	July 1st week - 3rd week
Sookmyung International Summer School II	April 1st - June 30th	August 1st week - 3rd week

Spring Semester	October 15th - December 31st	March 2nd - June 3rd week
Fall Semester	April 15th - June 30th	September 1st - December 3rd week

\* Dates are subject to change

### Affiliated Institutions

#### Sookmyung Institute for Multicultural Studies

The Sookmyung Institute for Multicultural Studies (SIMS) is a leading research center for academic research on multiculturalism. It aims to create a platform for academic discussion on social phenomenon related to multiculturalism occurring in Korea and abroad. SIMS published two academic journals on Multiculturalism and hold two annual academic conferences on Multiculturalism bringing world-class scholars to Sookmyung Women's University.

#### Le Cordon Bleu - Sookmyung Academy

Le Cordon Bleu-Sookmyung Academy is the only official Korean campus of Le Cordon Bleu International, a world renowned network of educational institutions dedicated to providing the highest level of culinary and hospitality instruction through world class programs. It was founded in 2002 with a joint vision of raising the global leaders who will lead the culinary and hospitality industry.

#### The Asia Pacific Women's Information Network Center

Asia Pacific Women's Information Network Center (APWINC) was established in 1996 to promote gender equality and empower women's potential and skills in the field of Information and Communication Technology (ICT) and was also established as an Institution for UNESCO Chair in Communication Technology for Women in 1998. APWINC has made various efforts to play a pioneer role for women's informatization in collaboration with international organizations, governmental organizations and NGOs to develop ICT-related projects for women all over the world.

#### The Research Institute of Women's Health

The Research Institute of Women's Health was established in 2005 by entering in a joint cooperation agreement with Samsung Medical Center, the biggest medical center in Korea, and performs professional research related to women's health and disorders. In particular, it intends to contribute to women's health and welfare through basic research of causes, cures and prevention of women's diseases centered around breast cancer.

#### Korean Culture Institute

Korean Culture Institute(KCI) was established in 2009 for the purpose of promoting Korean culture's globalization and world culture's localization in Korea through international communication and expansion of mutual exchange. Based on Sookmyung's abundant Korean cultural resources like <Sookmyung Gyeongju Concert Party>, <Chung Young Yang Embroidery Museum>, it develops systematic education & research programs related to international exchanges. It also plays a role as a Korean culture exchange institute that facilitates the understanding of Korea's traditions and culture and accumulates refinement and knowledge. In this context, KCI holds international forums like Korea-France Forum, Korea-Africa Culture and Art Forum. Also, it manages KF Global e-School and Sookmyung Multi-cultural family Orchestra program.
